Subject: green forms
I have given 400 green forms to Christopher in 4 packets of 100 forms each. If we use groups of 100 sheets at a time it will be easier to keep track of our progress during the week. I have given Noelle a master copy of the document information form to use for copying additional green forms. I will leave another copy of the master form on the table in the FBI room. Green paper is on the counter outside the SCIF, and additional packages of green paper are in the office supply room.
