Subject: Followup on 3/21/96 meeting

The sorry results of my phone call to Judy Hodgson:CALL REPORTDocument's Author: Joseph Freeman/ARRB
Date Created: 05/17/96 The Players Description of the Call Date: 05/17/96Subject: Followup on 3/21/96
meetingSummary of the Call:The Committee appears to have done virtually nothing on the action items they
committed to in late March. Judy was, as always, pleasant and friendly, but very defensive concerning how
busy they are, etc. I stressed our immediate need for their data disks. She agreed to try and get them to us or
Steve Tilley in the near future. She stated that she'd be shocked if Jim Wolf had done anything about locating
the testimonies he committed to securing in March. She also said that I should talk to Wolf about arranging a
visit to Archives I to look at the records ourselves. I repeated our and NARA's offer to do the work of finding
and processing additional Church Committee records under the JFK Act. She stated she was all for going this
route, but intimated that Jim Wolf and Charlie Battaglia were resistant to doing so.We left it that I would call
her again in the middle of next week if I hadn't heard from her, re: disks, and that I would call Jim Wolf directly
(she suggested anytime after Monday) on trying to arrange a visit to look at the records.On a related note, I
spoke with Steve Tilley late yesterday before calling Judy today, and he confirmed that he had not (despite the
best of intentions) followed up with her since the March meeting.
