**Subject:** Edward Lansdale papers  
CALL REPORTDocument's Author: Christopher Barger/ARRB Date Created: 05/29/96 The Players Description of the Call Date: 05/29/96Subject: Edward Lansdale papersSummary of the Call:Christopher Barger called the Hoover Institution to see if there is an index available for the sizable collection of Edward Lansdale papers. The military team wishes to review said index, if it exists, in order to determine whether there is anything worth our attention in them. We were given the name and number of Carol Leadenham as a contact. Such a register of the papers does exist; it is approximately 150 pages long. The Hoover Institution's policy is that they will make copies for us at 10 cents a copy (\$15.00); they would also charge us for the \$4.10 postage. We need to send them a check for \$19.10, and then they will air mail the register to us.Awaiting approval from team leader/senior staff.
