Subject: Water Delivery

We were suppose to have water deliverd on May 31, 1996. On May 31st I called Deer Park twice, trying to see when they would deliver the water. The first time I called it was 2:00 p.m., the second time I called it was 3:45 p.m. A representative assured me that the water guy would be here before 5:00 p.m. I explained that I would not be here on Monday and that the Board would be here on Tuesday. I wanted to make sure it was taken care of before my weekend. I called Deer Park back at 5:00p.m. to see what happened, the delivery guy could not finish his route, so he has to finish it on Monday. I told her to make sure he gets here early Monday morning.
