**Subject:** Authorization from Harold Kaminsky to release his late wife Eileen's tax records  
CALL REPORT ISSUE # 00VW110 INITIATED THE CALL: REVIEW BOARD'S REPRESENTATIVE IN THE CALL. DAVE  
MontagueDescription of the Call Date: 05/31/96Subject: Authorization from Harold Kaminsky to release his  
late wife Eileen's tax recordsSummary of the Call:I called Kaminsky today & he confirmed his wife deceased  
Eileen provided the tax records. I explained the nature of the Review Board to him & asked if he had any  
objections to our releasing the joint tax returns if we redacted his SS#. He gave verbal permission to do this as  
long as his SS# is not released.His information is:Harold Kaminsky2545 W. Lunt Ave, #1Chicago, IL 60645312-  
508-5146\*Kaminsky asked me to please send him an info packet, which I will  
do. \_\_\_\_\_ To: Joseph Freeman/ARRBcc:

sibling tax returnsLet's try getting in touch with Mr. Kaminsky and see what he says. We can then give the  
Board that information so that it can make its decision.To: Jeremy Gunn/ARRBcc: Dave Montague/ARRB From:  
Joseph Freeman/ARRB Date: 05/30/96 05:53:42 PMSubject: A question, re: Ruby sibling tax returnsYou'll  
recall we've already processed Marion Carroll's tax returns, which she (through her lawyers) handed over to  
the HSCA.Another sibling, Eileen Kaminsky, also turned over tax return and financial information to the HSCA.  
These records are currently referred/postponed in their entirety. Since the records were handed iover by her,  
rather than secured from the IRS, the IRS (as in the case of Carroll) neither has nor desires any equities. As in  
Carroll's case, however, there is language in her lawyers' transmittal letter which requests that the HSCA not  
make the information public and, should the Committee decide it wants to release the information, that it  
contact Mrs. Kaminsky beforehand. As you'll recall, in the Carroll case you felt this kind of language created an  
implied (or at least hoped-for) confidentiality obligation on the HSCA and, hence, on us. As it turned out,  
Carroll was deceased and therefore we just went ahead and processed the file, redacting only SSNs. Had  
Carroll been living, I believe it was your feeling that we at least had to notify her that the Board would be  
taking up her records and give her an opportunity to object.Dave Montague has established that Eileen  
Kaminsky is deceased. Her tax records, however, take the form of joint returns filed with her husband Harold  
Kaminsky. Dave Montague has yet to determine positively that Harold Kaminsky is deceased; in fact, he's  
found information that suggests he may still be alive (we have a phone number for someone who may be the  
Harold Kaminsky in question).Should we call this Chicago number for Harold Kaminsky and find out if he's the  
guy? Or, since the lawyers' letter to the HSCA only references Eileen and her privacy concerns (even though  
the returns themselves are joint), can we simply proceed to take the records to the Board? Please advise.
