Subject: Max Holland/early Senate investigation into assassination
FYI only. I came across the attached (to hardcopy of this E-mail) reference -- in the Church Committee's Book V -- to an 11/29/63 Hoover memo in which he references having seen "reports from the Senate Investigating Committee." The reference is obscure, but I have brought it to Steve Tilley's attention so as to encourage he and his staff to continue pursuing Max Holland's issue of the Eastland Subcommittee.
