**Subject:** Your conversation with Tony Radosti

Hi -- Kevin passed along your note about your conversation with Tony Radosti. I already spoke to Mr. Goyeneche at the MCC at about 12:30 today & arranged for us to go to the MCC on Thursday morning and spend the day at the warehouse. Are we now going on Tuesday and Thursday? (Mr. Goyeneche said that we could expect that we would be getting dirty, so to wear casual clothing.) In any case, Mr. Goyeneche asked me to call Warren DeBrueys & set up a time with him (DeBrueys) to review the records that he has at his home, as Goyeneche said that DeBrueys was on the MCC Board of Directors and it would be awkward for Goyeneche to demand that DeBrueys present us with records. However, Goyeneche said that if we have any problems DeBrueys giving us access, we should contact him. You asked whether Anne got an index of MCC records. Not that I know of -- we do, however, have an index of those records that the HSCA reviewed. I will leave the materials about the HSCA review of records in your in box. I will draft the letter to the MCC and to Warren DeBrueys, but we should probably also call DeBrueys to set up an appointment before we send the letter.
