Subject: Mrdeza Conversation of Today
1. Jeremy and I met with Mark Lane last Friday. Lane left no doubt about his opposition to the material in question being released. He informed us that he would take legal action against any and all who played a role in its release. 2. Things look pretty good for us with the House Appropriations Sub-Committee:

Subject: Mrdeza Conversation of Today
As I mentioned. I spoke with Michelle Mrdeza of our House Appropriations Subcommittee today regarding our bill. Mrdeza said we are included in the Chairman's bill which is scheduled for mark-up on Tuesday, June 18th at 2:00 p.m. She reiterated that we are fine with the Chairman. Michelle does not know whether any of the other Subcommittee members will say anything about us. She will let us know if she hears anything. Mrdeza thinks that there are bigger items in their bill that other members are more inclined to focus upon. We should cover the markup next Tuesday and hope that we do not become the focus of anyone's attention.
