Subject: Burke Marshall/RFK correspondence, ref. to autopsy materials
See the 7/18/78 memo to NARA's Trudy Peterson from William Moss at the JFK Library attached to the hardcopy of this E-mail. It references, and gives the citation for, a 5/27/65 communication from Marshall to RFK in which the autopsy materials are supposedly mentioned. I have no idea what all of you are doing at the Library next week but, since you're up there, you may want to take a look at the the letter, designate it, copy it, whatever.
