Subject: NARA/Church Committee update
I talked to Martha -- who, by the way, was not the person you dealt with earlier this week on that document request -- and have been reminded of something I knew once but had since forgotten, re: finding documents in the 41 boxes. Stop by or give me a call at your convenience and I will fill you in: the long and short of it is that, while difficult and time consuming, it is possible to locate (by record number) documents within the Church Committee collection.
