Subject: Documents Used During Chicago Presentation
Kermit -I have received a request for copies of the documents that you used during the Chicago OAH conference presentation. I would appreciate it if one of your assistants could make copies of all of the documents you used. Although I know we have copies of everything you used, I thought it would be easier to get them from you because I am not sure exactly what documents were used or in what order. I did tape the presentation, but it is sometimes difficult to hear exactly which document is being projected and discussed. Please advise me if you are able to accommodate me on this request. Thank you.TomP.S. I spoke to Nina Totenberg and faxed her information about New Orleans. She seemed interested and mentioned a possible story for Nightline. However, she did not call me again and no one from NPR or ABC covered the hearing today in New Orleans. I'll keep her apprised of the Board's work and maybe we can get her interested in something else.
