CALL REPORT
Issue # 70
Who initiated the call? Review Board's representative in the call: Dave Montague
Date: 06/14/96
Subject: Initial conversation w/ Donald Monier of the 112th M/I Group
Description of the Call I spoke with Monier today, identified myself & explained the purpose of the Review Board. Monier confirmed that he is the same Monier who was part of the US Army's 112th Military Intelligence Group during the 1960's. I did not get into any specifics about why the Review Board wants to speak with Monier. I informed him that he would receive an information packet re: the Review Board in order to increase his familiarity. Monier was interested in learning my background & said he retired from DEA. After we discussed our DEA experiences, he said the following: -he was initially with Army CIC, but left the CIC prior to the assassination -112th did some work with a covert unit named "FOI Group" -112th did at least one special photographic project -when he left CIC, he joined ONI & later joined DEA -he was a DEA investigator in Hawaii, San Francisco & Reno, Nevada Monier mentioned he's from Louisiana & attended two of the same schools as LHO: Warren Easton & Pierre Beauregard schools. He said he believes LHO was working for an intelligence group, citing LHO was a Marine and his understanding was that the Marine Corps frequently sent its coverts to various schools for training. He said this explains LHO's knowing the Russian language. I verified Monier's information & thanked him for his time. He did not express any objections to being contacted by ARRB staff provided they can properly identify themselves. He will only deal with authorized U.S. Government representatives. I assured him that anyone contact him will be an official credential carrying representative. * I'll send him an info packet & coordinate with Tim & Chris* Based on our rapport, I feel I should discuss the issue (re: Edward J. Coyle) with him once he has had a chance to review the material. Monier's information: Donald R.
