**Subject:** 3rd Interview of Everett Kay re: the "Milteer Tape"  
CALL REPORT Issue # 30Who initiated the call? Review Board's representative in the call: Dave MontagueDescription of the Call Date: 06/18/96Subject: 3rd Interview of Everett Kay re: the "Milteer Tape"Summary of the Call: I spoke with Kay to ask if he knew of any other recordings of Milteer either before or after the assassination, which may be relevant to the assassination. Kay said he doesn't remember any other tapes made by him, the other members of the intelligence unit targeting hate groups or any other sources. He also said that "The Men Who Killed Kennedy" is showing on the A&E Channel this week & he figures he'll probably get more calls from people about his role. He said he'll probably tell them he gave his tape to the Review Board & let the Archives deal with any inquiries. Kay once again left the door open to ask any questions about his tape & his role. I thanked him again.Kay's phone number is: 352-873-1544~~~~~I also called & left another message for Steven Tilley again re: the accession file for the Archives' version of the tape. We keep missing each other's calls. \* There is an approximate 19 seconds of "blank" space on the Archives' version of the tape & that the missing portion of the conversation can be heard in its entirety on Kay's version. Steven Tilley's phone number is 301-713-6620 ext 360
