Subject: Private Ownership Interests in Assassination Records
I just wanted to drop you a line to let you know that the memo in moving along and I should be done early next week. I have sent you the initial rough draft memo outlining some of the provisions of the JFK Act which I believe to be particularly pertinent in our question. I threw in some cursory interpretive arguments in the draft which I will explore in light of legislative history, etc., in the full memo. If you have any suggestions please e-mail them to me or drop by at your convenience.
