Subject: JFK Library

Please see my memo to David about the JFK Library dated June 20 (it should be in your box). Could you prepare a follow-up memo (bullet points are sufficient) identifying your best reasonable approximation of the following:-- Work completed by end of week - appx. number of documents completely reviewed and ready for JFKL screening committee; - what ARRB completed RFK White House Other Collections - CIA but not State - etc.-- What now needs to be done - by CIA - by DOD - by ARRB White House RFK Collections Presidential Recordings Anything else? - by State - by JFK Library - others-- Other suggestions or comments for where we go from here
