Subject: Powers Film
Per our conversation, a reminder on the Powers film. I could pick up the original and bring it to the Archives for copying and then bring the original back to the JFK Library. Our goal would be to have the Archives make a film copy (16mm, probably) from which stills could be made. I mention this because the JFK Library may say that they will send us a videotape, but we want to make a high-quality film copy.
