Subject: Dr. Sinn

Body: I spoke with Dr. Sinn this afternoon. He was clearly uncomfortable and stressed that he was in a very awkward position. He confirmed that a set of slides existed and that they were in his possession. They belong to Dr. Rourick who apparently (there was some sensitivity here) got them from a pathologist at Parkland. I emphasized to Sinn that the Board was very interested in learning more about the slides. I agreed to send him some information (via FEDEX), and he promised that either he or Dr. Rourick would call me. I discussed with Jeremy the possibility of having a subpoena ready to issue in the event that Sinn/Rourick is uncooperative.
