Subject: Three FBI documents
In preparation for our next letter requesting the FBI to provide evidence to justify their postponements, we came across three documents that appear as postponed in part in our database, but seem to possibly be open in full. The original pages are not in the FBI's "postponement package" When you have some time will you check on these documents 1) in your database, and 2) in the FBI files to see if the originals have made it out to the collection? The RIF numbers are 124-10035-10184 (105-82555-1st nr 2095), 124-10035-10214 (105-82555-14th nr 2989), and 124-10041-10479 (105-82555-5511). If this does not make any sense, of course call, and as before, there is no great urgency to this matter. Thanks
