**Subject:** Follow-up on HSCA Firearms Panel letters

**Body:** Copies of the letters that were sent out to the former members of the Panel were put in my box. They're dated June 18 and indicate that someone will be following up in the next two weeks. If, as I take it from the copies coming to me, I'm to follow up, I will want to talk to someone about exactly what we want to say to these folks. As I'm out next week, we'll be a little over the 2 week target by the time we do our follow-up, but I trust that's OK. I'll seek one or both of you out upon my return for my pre-follow-up briefing.
