Subject: Response to JFK photo & film spreadsheet from Les Waffen

I'll give you a hard copy of the final...DaveCALL REPORT Issue # 14Who initiated the call? Review Board's representative in the call: Dave MontagueDate: 06/28/96Subject: Response to JFK photo & film spreadsheet from Les WaffenDescription of the Call Groden Project I faxed my draft JFK photo & film spreadsheet to Les Waffen yesterday as a cross-check for accuracy prior to its use in the Groden Project. Waffen called today & said he's reviewed the list. I asked him to review the information contained for accuracy & to place special emphasis on the "original" & "copy" columns. Waffen said: "You guys seem to have it the same way we do". He originally thought a change might be needed re: the Jack Daniels information, but said he checked & feels the spreadsheet info re: Daniels is correct. Waffen made no recommendation for changes to the spreadsheet. Waffen referred to the specific spreadsheet cells listing "NARA?" saying he doesn't know of any copies of these at NARA. He said they may exist within other areas, citing the FBI Bulk Files which are still being processed (as an example). I thanked him for his quick response to my request.Les Waffen's number is 301-713-7050 Ext.253; His office is located at #3340* I've also shown the spreadsheet to Joe Freeman based on his involvement w/Dallas Project~ NARA has early generation copies in most cases
