Subject: New time for pre-Board meeting today?
The meeting had been moved to 2 pm today to ensure that Jeremy was here and because Chet said he would like to be present. Chet said he would be here around 1 pm today.I guess the question is now when should we have it? If we move it to Friday I will not be here.Please let me know when we should have it and I will E-mail the new time, if you decide to move it.If I don't here from you I will assume that it will go on at 2 pm today as planned.Sorry this has to be so confusing.Thanks.
