**Subject:** NSA Scratch Sheet

For Tuesday morning's Board session, we need to have a "scratch sheet" made up for each Board member so they can make notes during NSA's presentation to them. The sheet should have three columns like this: RIF # Concur/Nonconcur Notes Under RIF #, we need to have listed the RIF's for ONLY THE DOCUMENTS THEY SENT TO US IN TAB D (Individual document redactions). This scratch sheet is to allow them to take notes while NSA people talk them thru these TAB D documents, and (if necessary) record whether they concur or nonconcur with recommended redactions for later formal voting. As I will be out Monday morning, please discuss this with David if you have any questions at that time.
