**Subject:** latebreaking reviewtrack development  
Rif number 124-10228-10278 (EP 105-1264-46) was, until just now, in status 41 and assigned to Box 27C (I think). It has just become a consent release. I have cut the Rif from the reviewtrack and pasted it into the consent release database. Please make sure the hard copy of the document is not put in the box (you can just return it to me). Thanks.
