Subject: July 15 letter
In her letter of July 15, 1996, Jane Vezeris offered to make a presentation to the Board regarding Secret Service protective techniques for which she is seeking postponements. I would add that Robert Bouck also mentioned these techniques in his interview with us. If you think this would be useful, we should notify the Secret Service at least a week before the August 5-6, 1996 meeting. At the August meeting, the Board will be able to designate additional Secret Service records as assassination records, and the Board can consider postponements in the July 15 documents.
