**Subject:** Confirmation re: location of former FBI Agent James Sibert

CALL REPORT Issue # 43Document's Author: Dave Montague/ARRB Date Created: 07/25/96Who initiated the call? Review Board's representative in the call: Dave MontagueSubject: Confirmation re: location of former FBI Agent James SibertDescription of the Call Medical Project I spoke with his wife named Esther today & she confirmed he's the same Sibert who was present during JFK's autopsy. James wasn't home at the time, but is usually home during the day unless he's at a church meeting; he can be easily reached if we need him re: any questions. She said he was questioned once before by another assassination panel, but it was a very long time ago. I explained the nature of the Review Board & that we'd like to send some information which would be followed-up with an interview. Esther said that would be fine & to please feel free to call whenever we'd like. I verified their address & thanked her for her time.\* I'll send an info packet & I'm sending this report to the medical teamSibert's information is:James W.
