Subject: Clay Shaw Paper
I spoke with Dave Snyder regarding the Clay Shaw papers. He said that he was willing to be cooperative with us. We talked about various scenarios regarding the papers and the Board's interest. Snyder agreed to talk to the person with whom he has been dealing with the records about the Review Board. He did say that the individual was aware of our existence and he had told the person that we would immediately call Snyder. Snyder and I agreed that I would wait to hear from Snyder before the end of the week, by which time he was confident that he will have spoken to the person who has the records.
