**Subject:** Military respondents to Armed Forces Press stories

**Body:** CALL REPORT: PUBLICDocument's Author: Christopher Barger/ARRB Date Created: 08/07/96 The Players  
**recstat:** Description of the Call Date: 08/07/96Subject: Military respondents to Armed Forces Press storiesSummary of  
the Call:I returned Mr. Billick's call of August 5. He said that he believed his friend, a Duane Cooper, might  
have some information we would be interested in, based on the article that ran in the Pentagram on August 2.  
Cooper was apparently a pilot in the Presidential Helicopter Squadron for 8 years, for both Eisenhower and  
Kennedy. Billick says that Cooper went to Europe with President Kennedy, and believes Cooper was in Dallas  
on the day of the assassination.Billick and I thought that in addition to Cooper's own recollections, he might be  
able to recall the name of some of his fellow pilots from that time period who we might be able to locate.  
Billick gave me Cooper's Missouri phone number. He said that he is going to call Cooper, as it has been a few  
months since he spoke with him; I am choosing to wait a couple of days to try reaching Cooper, so that Billick  
has a chance to contact him and let him know about us, so that I don't catch him by surprise. I expect to make  
the follow up call to Cooper either Friday or Monday.
