Subject: FYI re: FINCEN...
Linda (ARRB new contact) is very pleased with my method of recordkeeping...Also, Ron Collins (the person whose office we visited & he used to be w/ USMS) is very interested in the assassination as well as numerous others who have been extremely helpful to our efforts...My idea is that some of them may be interested in a tour of NARA & some stuff in the Collection...Maybe not right away, but maybe before we shut down I can arrange it for them...Dave
