**Subject:** Ronald G. Haron  
I spoke with my friend about Ronald Haron. He described him as "friendly, pleasant and a 'good guy.'" He has not worked directly with Mr. Haron. However, he knows people who have and he has never heard anything bad about him. He also speculated that Mr. Haron may have been passed over for partnership because he was buried on several large litigations and left with little opportunity to excel.
