Subject: FBI Records
I spoke with David Langbart. He explained that the book that he co-authored on FBI records was based on the work of the NARA FBI Task Force and that he was not a member of the Task Force. The principal co-author of the book, Gerald Haines (currently the historian at the National Reconaissance Office, 703-808-1228), was a member and would no doubt be better able to answer our questions. Langbart indicated that the records of the NARA FBI Task Force are at the Archives in Record Group 64, but warned that they were not complete or in the best shape.
