Subject: Customs

Here is the draft letter. I missed Laura before she left for her doctor's appointment. Phil, if you think it's OK (either w/out or after any amendments you'd like to proffer) I will move it along to David so as to be prepared in the event that Laura is able to take it with her tommorrow (do you know if she's coming into the office before her meeting?). If all of this becomes too complicated, we can just send it through the mail!To: Laura Denk/ARRBcc: From: Joseph Freeman/ARRB Date: 08/19/96 01:02:46 PMSubject: CustomsI saw in the Agency Contacts database that you were/are scheduled to see Bruce Miller tomorrow. Is this still the case? If so -- and depending on whether I can get a letter drafted and through the review process in time -- would you be willing to hand-deliver a letter and enclosures (re: HSCA documents)? Let me know! Thanks.
