Subject: Witnesses for L.A. Hearing Who Will Need Travel Arrangements

We have invited and offered to pay expenses for three witnesses to testify at the Los Angeles hearing. I wanted to take this opportunity to give you information on each of them. We can talk about this matter before contact is initiated with them, but here is what I have right now:1. David Belin (515) 243-7100David has spoken with him. I wrote a confirmation letter and told him that we would be in touch regarding travel arrangements. We agreed to fly him from Iowa to L.A. and arrange for, and pay for, accommodations. He is a former member of the Warren Commission staff and the Rockefeller Commission.2. Wesley Liebeler (802) 365-7397I have spoken with him and last week he agreed to testify. He has a home in Malibu and does not need hotel accommodations. He will only need air travel. Liebeler told me he may want to fly to L.A. from Vermont a week or so before the hearing and stay at his home, which I thought would not matter to us since we do not have to pay for his accommodations. He is a former member of the Warren Commission staff.3. James RankinJeremy has handled discussions with him and will have the necessary information. He has agreed to testify. My understanding is that we will pay for his hotel accommodations and fly him to LA. He is the son of the lead attorney for the Warren Commission.Again, please let me know if there is additional information required or if we need to discuss before anything is done. Thanks.
