**Subject:** Status of documents listed in FBI Appeal of August 12, 1996  
I changed the status of the appeal documents to "88" FBI appeal. There are 24 trunks listed and 13 duplicates, for a total of 37 documents on appeal. I did not include the Lane document and its duplicates, because it was not noticed until yesterday, and it has not been put back in the Review Track Archive yet. I will change its status when I cut the documents out of Review Track and into the Archive.
