Subject: DOJ

Tracy, Jeremy has mentioned that he will want me to go to DOJ in the near future to look through their files. It would be helpful if I could get the DOJ card. My full name is Catherine M. Rodriguez and Social is 356 70 7066. Let me know if I can get you anything else that would be helpful. I know you already have this info in the file, but I thought this might make it more convenient. Also, can I get a copy of the packet that Noelle created that you found? Thanks for lunch today, it was fun! Cathy
