Subject: Response to Anna's request

Please draft a response from me that states, to the extent it is accurate and complies with the law:Para 1 State her request as we understand it. Include her oral representation to me that she will not be compensated for the article.Para 2 It is our opinion that you may proceed. You should be sure that you do not receive, directly or indirectly (such as for a relative or organizations with which you are affiliated) any compensation.Para 3 Reference to her Congressional testimony (quote it). It is my understanding that the thrust of the question to you was to ensure that you do not profit financially from your acquired expertise and that you not engage in writing the "sensationalist" literature surrounding JFK. It is my belief that the project, as you describe it, fully complies with the spirit of your answer to Senator _____. Para 4 There are some additional concerns with which you should be aware. Use of government title. Use only non-classified information. To the extent that there is any question in your mind regarding this issue, we would suggest that you have the writing reviewed either by the ARRB staff (if still in existence) and or government agencies (e.g. CIA). She also should put in a disclaimer of representing the ARRB or the Federal government.
