**Subject:** NSA

Claudia Collins came by today to pick up letters re: HSCA documents. I also advised her that the Board would like to consider the full NSA package at the October 15-16 meeting, and that we would therefore like to have that package in our hands by October 1 for staff processing. Claudia replied that this should be no problem, as they expect "soon" to brief the entire package to the Director, NSA to get his final approval before handing off to us.
