Subject: Meeting Re: Antonia Veciana

MISCELLANEOUS ACTIVITY Issue # 50Document's Author: Dave Montague/ARRB Date Created: 08/28/96Subject: Meeting Re: Antonia VecianaDescription of Activity CIA Related ResearchManuel, Chris & I met this afternoon to discuss our strategy for obtaining info & contacting Veciana. We agreed on the following:-I will search for the names Chris found-Due to the volume of work, I will arrange another visit to IRR next week to hopefully find more names within their files & identifiers in DCII (provided we're all available)- Manuel & I will make appropriate contacts once more info within the files is obtainedThe meeting was held based on this info:To: Tim Wray/ARRB, Dave Montague/ARRBcc: David Marwell/ARRB, Christopher Barger/ARRB, Manuel Legaspi/ARRB From: Jeremy Gunn/ARRB Date: 08/28/96 01:27:36 PMSubject: Barger Veciana MemoTim, Chris's memo on Veciana was very helpful. We should take whatever steps are appropriate to designate all (or some) of the Veciana file an assassination record and get it processed. If IRR wants a Board decision, we will get it. Otherwise, let's have them make this a priority.Dave,Please do the FINCEN searches on the names that you can get for Chris. You and Manual should attempt to contact them. Ask them if they remember the names: Antonio Veciana, Maurice Bishop, or Evan Koler (a phony name). If they answer yes to V or B, let's try to set up a follow-up interviews later.
