**Subject:** Paul Kangas

John Ormsby of Senator Boxer's office called today regarding Paul Kangas and his request to testify at the hearing. I told him that we have been corresponding with Kangas about this (which Ormsby did not know.) I also told him that we have not answered his request with a yes or no, but that we have asked him to provide more specifics about his proposed testimony. Ormsby asked if there would be a public comment period at the end in which Kangas could speak for a few minutes---I said I did not know and that I have not seen an agenda. As a formality, Ormsby is going to send a letter to Jeremy asking to please consider Kangas's request. Ormsby is also going to contact Kangas and let him know that he should provide us with specifics about his proposed testimony. \*\*\*Note: Kangas cited the Brown Act in his letter to Senator Boxer. I asked Ormsby if he could provide information about that Act, but he didn't know about it.
