Subject: Updated and Revised Memo, re: Jim Lesar letter-9/18/64 WC session

A final version of this memo (which you'll recall having seen before) is in your box attached to the hardcopy of this E-mail. It incorporates the editing changes you suggested long ago, as well as the results of my conversation and correspondence with Chip Selby, and Eric's and my review of the Warren Papers. You'll recall that you suggested we might send a copy of the memo to Lesar w/a cover letter or note. If you wish me to draft such a note/letter, please let me know. (If we send something to Lesar, I would recommend we copy Chip Selby, who has been very helpful and who, I think, would be appreciative).
