**Body:** CIA team continues to review records this week, with special emphasis on training Irene and Michelle. Team members have also been checking and preparing July meeting documents for transfer to NARA. We are also preparing to review HSCA records with CIA equities that CIA has recently finished reviewing. Monday, David, Mary, and Bob met with Barry Harreson on several problems arising from CIA's interpretation of Board decisions on August meeting documents. These problems were amicably solved, and the participants went on to discuss potential solutions to other impending review problems, in particular that of duplicate documents.
