1. I made reservations through SATO for my travel to bring the Powers film back to Boston on Monday. The reservations guy asked me for the authorization number and I said that had to come from you. He then saw it in the computer. He should call you, although he said he would fax something. The only thing I saw faxed so far was my itinerary. I assumed it was for me. Anyway, hopefully he'll call you.2. One of the PBS stations says they are going to cover the hearing. I would like to wait a a day to solidify that. If they do cover the hearing, they told me that they will give us a complete copy of the hearing. Thus, we would not need the video contractor. Again, I'd like to confirm with them and check on the the other PBS station.Thanks.
