The meeting seemed successful from the audience as far as the documents and articles that were donated. I hope you are pleased. I wish more people would have been in the audience, but the TV press turnout seemed to be good. I saw no article in the L.A. Times Wednesday. Was there one? The following was sent to my discussion group. I am just passing it along. I haven't seen the article, but can get it if you wish. Debra In the June 16, 1996 issue of the National Examiner, a checkout stand tabloid, is an article asserting that Jackie wrote a 400K word manuscript that among other things, contains her account of the day JFK was assassinated. The ms is supposed to be in the vaults of Doubleday the publisher for whom she worked and is presumably under the control of JFK, jr. ****JFK Lancer Productions & Publications****visit our web site: <http://snni.com/~jfklancr/> "Serving the research community, educating a new generation"
