Subject: Review of Dr. Guinn's Neutron Activation Analysis

Body: CALL REPORT: PUBLICDocument's Author: Brian Rosen/ARRB Date Created: 09/27/96 The Players Who initiated the call? Review Board's representative in the call: Brian RosenWitnesses/Consultants's representative in the call: Dr. Phillilp LaFleurDescription of the Call Date: 09/27/96Subject: Review of Dr. Guinn's Neutron Activation AnalysisSummary of the Call:I telephoned Dr. LaFleur to discuss records he might have related to his review of Dr. Vincent Guinn's Neutron Activation Analysis for the HSCA. According to an HSCA call report and letter, Dr. LaFleur reviewed Guinn's work and discussed his conclusions with an HSCA staff member. When I asked Dr. LaFleur about his contact with the HSCA, he did not recall the substance of his involvement and had no specific memory of Dr. Guinn's NAA report. Not surprisingly, he also said he had not retained any records related to the Kennedy assassination or the HSCA.Don't forget to compose individual Action Item documents for any action items that resulted from the call!
