Subject: INS Records

I was able to verify at Archives II that all of the documents found under RIF # 157-10003-10445 (50 pages) are found in RIF # 180-10098-10036 (112 pages) which we have here. I was unable to locate Church Committee RIF # 157-10006-10160 which is listed to have 141 pages. If you wish me to make a return trip to Archives II and see what else exists in Warren Commission Document 363 (which contains RIF # 180-10098-10036) let me know. This message will be attached to the documents which I have placed in your in-box. I have also returned the Coleman, Slawson memo to you with the other documents.
