recstat: Call Date: 10/02/96Subject: Regulations Re: DD-1173 I.D. CardSummary of the Call:I made initial contact with
historian Dennis Vetock at the Army War College in Carlisle, Pennsylvania regarding regulatory guidance for
issuance of the DD-1173 I.D. card. He vaguely remembered talking to the LaFontaines 3 or 4 years ago, but
could not remember specifics. I discussed the contents of pages 75 and 76 of the LaFontaines' book Oswald
Talked , in which they reported that Mr. Vetock had found both the initial issuing directive for the DD-1173
I.D. card (dated 16 July 1957), and a change to those instructions implemented in July 1959.I asked him if he
would be willing to research this matter again and provide both of these directives to the ARRB for inclusion in
the JFK Collection in the National Archives.He said he would be happy to, and that a written request was not
necessary. He will fax the applicable directives to us when he finds them. END
