Subject: U-2 Records

Dave, I have discussed this subject with Michelle, and we both agree that the following two retired CIA personnel should be contacted by letter prior to us calling them--so I would like to ask you to find their mailing addresses and telephone numbers, if possible:-John Welzenbach (a retired CIA historian who, according to Mary McAuliffe, wrote the CIA's history of the U-2 program), who supposedly lives in Davenport, Iowa;-John Parangosky (former assistant to Richard Bissel for U-2 matters), who supposedly lives in Maryland. Our intentions are to mail them an introductory letter which contains the Skunk Works extract, then call and ask if they have anything to contribute to that issue--if they do, we will then schedule interviews.
