**Subject:** Chip Selby questions  
Chip Selby has asked me when we expect to get the Rankin papers, and when we anticipate their being forwarded to NARA where researchers could see them. Any good guesses on this?Also, he has followed the Alyea film matter, and wonders about this and any other films that have been donated to the Collection at our urging, re: deed of gift restrictions, use of them for his own documentary, copyright issues, etc. Is this a question he should talk to you about, can he be put in touch with Tom, should he talk to Dave Montague?Please advise.
