As many of you already know, Tracy suggested that we have an all-day snack-a-thon in Joe's office to pay him back for feeding us these many months. We thought we would start at 9:00 a.m. with donuts and end at 5:00 with a champagne send-off, punctuating each hour in between with appropriate food and drink. We have nine hours and 22 people, so we would have to share hours. This is still in the early planning stages, so feel free to share your thoughts -- but not with Joe, as this is a secret from him.
