**Subject:** thank you...

**Body:** ...to all of you who wasted a perfectly good Friday evening in order to celebrate (?) mine and Carolyn's impending move to Phoenix. Massive thanks to Kevin and Sue for opening up their home. It was great meeting folks I hadn't met before (including those of the canine persuasion), and I'm very glad we did it (sorry about the O's, though, for those who are following such things... though it's turned out all right in the end).(this is the speech I would have given had I caved at the party, except this is shorter and less painful)
