Subject: searching problem in all fbi database
Example: I ran a search for the date 09/21/56 (actually, I ran it several times) and was told there were no matching documents -- but 124-10137-10041 has that date. The same search in the fbi not open database retrieves 124-10137-10041. Chet, can you look into this? Thanks.
